

CLAIM OR CLAIMS

1. What I claim as my invention is a protective cover made from Nylon that will protect pillows, bed pillows, pillowcases, and all types of fabric surfaces. The Nylon cover acts as a barrier when placed over an item, therefore, protecting it from soil, stains, facial makeup, hair coloring.
2. What I claim as my invention is a protective cover made from Nylon that will protect the hair. The Nylon cover acts as a barrier, when used to cover bed pillows or pillowcases and all types of fabric surfaces. It will not absorb and rob the hair of natural oils and moisture like other materials such as cotton. The Nylon cover's silky smooth texture eliminates any would be friction between the hair and other surfaces reducing the possibility of damage to the hair.
